(**We do not have Study Bibles; this is the ONLY Bible we have available.**)

**Rediscover Catholicism – by Matthew Kelly** English or Spanish

A Spiritual Guide to Living with Passion and Purpose – Rediscover Catholicism, takes us on an adventure of life-changing proportions. Beginning with our common yearning for happiness, Kelly reveals the essence of authentic Catholic spirituality while addressing some of the most important questions we face today both as individuals and as a Church.

**Rediscover Jesus – by Matthew Kelly** English or Spanish

If there is one person that we should each get to know in a deeply personal way, it is Jesus – the carpenter from Nazareth, the itinerant preacher, the Son of God, the King of Kings and the Lord of Lords, the Lamb of God, the new Adam, the Messiah, the Alpha and the Omega, the Chosen One, the Light of the World, the God-Man who wants good things for us more than we want them for ourselves, the healer of our souls.

**Revelation in Its Original Meaning – by Deacon Lawrence Michaels**

This commentary attempts to remove the confusion surrounding the Book of Revelation. When a context is used that is consistent with only Old Testament quotations and no Gospel knowledge, it is early in the first century and, of course, Jesus did come as promised.

**Secrets of a Happy Family – by Deacon Ken and Marie Finn**

This book was written to provide a solid biblical understanding of God’s plan for the role of the man, woman, couple (husband and wife), child and parent in the family.

**The Gospels in their Original Meaning – by Deacon Lawrence Michaels**

The Gospels are the most important writings of Scripture for Christians. They were composed several decades after the Resurrection to address very important problems in the early Church using the teachings and events of Jesus' public life. Yet, most readers treat them as biographies about Jesus and never examine the meanings that caused them to be written.
